Leader's Guide to Camp

We are so excited about the opportunity to partner with you in ministry. We do not take this lightly. Our goal is to empower you and your leaders to impact your campers for Christ. Hopefully, Lakeview will provide you with opportunities to grow in deeper and better relationships and focus on the spiritual development of your youth. Please let us know if you have any questions.

PRE-CAMP CHECKLIST

Here is a Checklist to assist you in preparing for your group's week at Lakeview!

Specific details will follow in this guide.

Make sure that your church has enough counselors

Submit your payment if your church is covering any fees

Help your campers prepare for Lakeview by using the pre-camp curriculum.

Church Subsidies/Scholarships/Payments

Camper families and counselors will register for camp directly with Lakeview, but churches will have the ability to pay any portion of their fees.

If your church wants to subsidize the cost of camp for campers or volunteers, you can do so one of two ways. First, you can contact Lakeview and make a credit card payment on behalf of someone. Second, you can send a check to Lakeview on behalf of your campers/volunteers. If you are sending a check please include a note with how much you want applied to each camper or volunteer. Please address checks to Peggy Jordan. You can sign into the registration system anytime to see which campers/volunteers have registered from your church by following the directions on page 3 of this guide. Once a payment is received it will be applied to the camper/volunteer account. This means that your families will show an outstanding balance on their account until the church has paid. Please communicate with them how much your church will be paying so that they will know how much they are responsible for. This summer all accounts must be at a zero balance (church payments and family payments) before the start of the session.

If you have any questions please email Peggy Jordan at registrar@lakeviewmcc.org.

Campers/volunteers can apply for financial assistance through our scholarship program. The application can be found at www.lakeviewmcc.org.

Frequently Asked Questions

Here are some of the most commonly asked questions. If you have any others questions, please do not hesitate to call our main office at 903.538.2711.

Cabin Mate Requests -

Can campers request to stay in a cabin with a friend?

We make every effort to place campers with requested cabin mates. We set up our cabins by age and gender and ask that cabin mates be no more than a year apart in age. All cabin mate requests must be made by families on their registration form, or in writing to the Camp Registrar prior to arrival. Requests made less than two weeks prior to a session are not guaranteed. If no cabin mates requests are made Lakeview will automatically place campers with some campers from the same church.

Snack Shack and Camp Store - How do campers set up an account?

We think it is best for campers to not have cash at camp. So we recommend before the session starts, parents purchase Lakeview Bucks for their camper(s) to use in the Snack Shack, Camp Store and Ice Cream stand. Funds purchased prior to the Thursday before the session will be delivered on opening day.

Cards purchased after this time are not guaranteed to be delivered on opening day. They will be delivered in the order they are received. Cards can not be purchased by cash. Any unused funds at the end of the summer will go into Lakeview's scholarship fund.

We have changed our process so that we can get Lakeview Bucks to campers quicker. You can visit www.lakeviewmcc.org to order Lakeview Bucks

We recommend \$20 for snacks for one week and add any additional amount for souvenirs or extra snacks. These souvenir items are typically priced between \$2.50 and \$20.00. Estimated prices for a few of our most popular items: Lakeview T-Shirts \$15, Stuffed Animals \$10 - \$15, Flashlights \$5, Water Bottles \$4 - \$8, Jewelry \$3 - \$10.

Medications and Allergies - What if a camper takes medication or has life threatening allergies?

All medication (including prescriptions, over-the-counter drugs, and vitamins) must be brought to camp in the original container (as purchased or issued) and preferably in a Ziploc-like bag to turn into the Camp Nurse during check-in. Prescription containers must detail the child's name, name of medication, dosage directions, and the name of the person ordering the medication. All medication must be noted on the Health Form, and will be held by the Camp Nurse who will dispense it appropriately.

Life threatening allergies (bee stings, food allergies, etc) need to be listed on the Health Form and discussed with the Director of Program and Ministry or Food Service Director during the check-in process. Epi-Pens and Inhalers will be carried by camp counselors during the day.

At the end of the week all medications will be returned to the camper.

Registering for Camp

Online registration for Summer Camp 2019 is now OPEN.

A link to register online is available on Lakeview's website (www.lakeviewmcc.org).

This summer, churches can register for any week of the summer regardless of district. We encourage you to communicate with parents before they register so that they know which week to select.

The registration system will allow parents to complete all forms, register, pay and manage their account information from a computer, tablet or cell phone. One of the best benefits is that families will have the opportunity to pay towards camp throughout the year by automatic monthly installments or logging back on and paying any amount that they wish towards the camp fee. The mobile friendly site will also enable families to register multiple children/volunteers simultaneously.

Viewing Registration

As a leader you will be able to view who has registered for camp from your church.

Our registration software will allow you to see who is registered for camp at any time by logging in from a computer, tablet or smart phone.

Go to: <https://lakeviewregistrar.campbrainoffice.com> and sign in using your credentials. Contact Lakeview at any time, and we will send you your username and password.

Lakeview Scholarships

We believe that financial hardships should not be a reason why campers can't participate in our program and services. That's why Lakeview offers camp scholarships for those who financially qualify. Because resources are limited, Lakeview is unable to fund 100% of any camp fee. Recipients are expected to participate financially in some way. The scholarship is determined based on the number of household members and total household income.

This assistance is given independent of any assistance that the local church may offer.

Families will need to apply directly with Lakeview to be eligible. Families can contact Peggy (Registrar) for an application.

Counselor Requirement

Churches are required to provide a minimum of one counselor for every five campers of each gender that register. For example, if a church comes with 3 male and 7 female campers they will need 1 male counselor and 2 female counselors. This allows Lakeview to keep the cost of camp as low as possible. We feel that a quality volunteer counselor makes our ministry more effective because they often come to camp with existing positive relationships with campers.

To qualify to be a volunteer counselor they must:

- Be 18 years of age or older.
- Complete all Safe Sanctuary training before camp starts (provided by Lakeview).
- Complete all required training prior to the start of camp. Once registered volunteers will get information on how to complete training.

Frequently Asked Questions

Camper Mail - How should I send mail to my camper?

Mail means so much to campers and we highly recommend it. Parents should avoid talking about missing campers as this may lead to homesickness. Comments like “we are so proud of you” or “see you soon” are just what campers need to hear! Funny cards, post cards, and small care packages are fun too. Parents can get mail to campers by:

1) Mailing them a few days prior to camp or at the beginning of the week to:

Camper's Name, Camp Session week
400 Private Road 6036
Palestine TX 75801

2) Send it up with a leader from your church with the camper's name and what day they want the mail delivered.

Camp Pictures - Does Lakeview post pictures of camp during the week?

Yes, we do! Lakeview will post camp pictures each day by 10 pm for parents to get a peek of what campers are experiencing that day at camp. This summer, we're excited to let you know about a new photo delivery service where you can get all the photos of your camper delivered straight to your phone! No more searching for hours for proof of fun!

This optional service, offered by Waldo Photos, uses facial recognition to find the photos of your camper, and then sends them to your phone via the Waldo App with notifications when new photos are found.

To enroll:
Text LAKEVIEW19 to 735-343 and follow the prompts.

Cost per camper
1 Week Session: \$9.99

You can also scroll through and view all the photos for free on the Waldo Gallery here:

Camp Updates - Can I get updates from Lakeview during the week?

Yes, Lakeview has established an opportunity for parents to sign up for text alerts. Camp will send out texts in the event of severe weather, reminders, emergencies, etc. We will send information on how to sign up for alerts the Friday before your camp session starts. Alerts are used sparingly.

Follow us on Instagram (@iheartlakeview), twitter (@iheartlakeview) and Facebook for other updates.

Cell Phones and Electronics - Can campers bring a cell phone or other electronics?

Camp is a place for kids to get “unplugged” from the outside world and enjoy a week of just being a kid. We do not allow campers to have cell phones while at camp. If a camper brings a phone it will be collected and kept safe until they return home. Campers will be able to use other electronics at the discretion of the counselors during specific times. Camp is a place for kids to get “unplugged” from their outside world and enjoy a week of just being a kid. We encourage you to challenge campers to leave their electronic devices at home.

Last Day to Pay - When is the last day for campers to pay final balance and turn in forms?

Everything is due 2 weeks before the start of each session. Please make sure your church has made all payments by the deadline.

Frequently Asked Questions

Volunteers - How will volunteers be used in 2019?

In 2019, Lakeview will rely heavily on the expertise and gifts of volunteers along with paid staff. Our hope is that the new structure will allow us to use the gifts of everyone who wants to be a part of summer camp.

In an ideal world, counselors will be 100% volunteer. Lakeview staff will only serve as cabin counselors when not enough quality volunteers can be recruited. We are already diligently working on finding the right people to fill these positions.

Cost of Camp - What is the cost of Lakeview in 2019?

The cost of camp in 2019 will include everything from the time of arrival (Sunday night) to departure (Friday mid-day) with the exception of spending money for the Gift Shop or Snack Shack. In 2019 the cost will be:

- Camper - \$400
- Camper (without a church) - \$440
- Volunteer Counselor - \$200

Check-In/Out - When does check-in and check-out start in 2019?

This summer camp will start on Sunday. Check-in for campers will run from 4:00 pm - 6:00 pm. Dinner will be served on Sunday. If you need to check in later than 6:00 pm please make sure that you make arrangements with Peggy (registrar) before your camp session.

This summer we will ask that all volunteer counselors arrive before campers. They can check in from 1:00 pm - 3:00 pm.

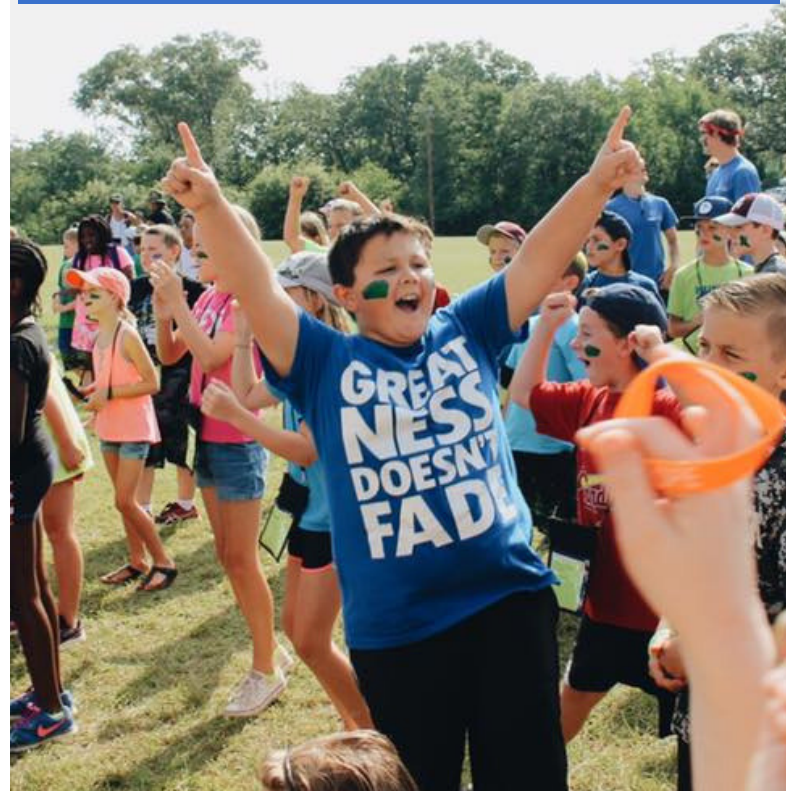

Campers/volunteers can begin checking out after the closing program at 11:00 am. All campers must sign out with a Lakeview staff member. If your camper needs to leave earlier this must be prearranged with Peggy Jordan beforehand

Lakeview Curriculum - What is the 2019 curriculum like?

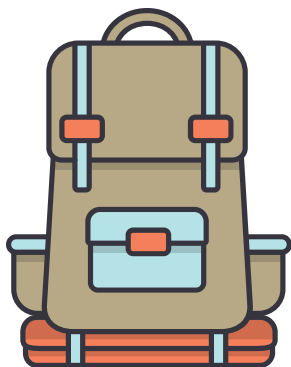

The theme this summer is "Under Pressure". The verse for the summer is Romans 12:2 "Do not conform to the pattern of this world, but be transformed by the renewing of your mind." Our youth are blasted every day with worldly pressures about how they should act, look, talk or be. What does the world tell us important vs. what does God tell us is important? We want to lead campers through how to deal with age appropriate worldly pressures like body image, social media, friendships, school, technology, social media, family conflicts, etc...

Along with the small group curriculum that campers will go through while at Lakeview, we are developing two partner curricula.

- 1) We are developing a resource that will be sent to you that will parallel what your camper is studying at Lakeview. It will guide you on what campers might be thinking, questioning, talking about, etc... so that when your camper gets home you will be able to have conversations with them.
- 2) We are writing a resource that will be sent to churches that can be used by youth directors or volunteers to prepare campers' hearts for camp and also debrief with them when they return home.

Packing List

The following is a recommended list for a one week session. Campers may pack belongings in a large duffle bag or trunk. A trunk up to 14" tall will fit underneath a bunk. Lakeview is not responsible for lost, damaged, or stolen items. If a camper is missing any items after their session, please call camp at 903.538.2711. All unclaimed items will be donated to a local charity 2 weeks after the camp session ends.
